

Have you ever thought about a career as a **Support Worker?** in Reablement / Homecare

Do you want:

- Flexible, part-time or full-time, temporary or permanent work in your local community?
- To fit work around your children, family, studies and other commitments?
- Employment to support your studies?

You could make a difference to the lives of vulnerable people by working locally as a community based support (Reablement/ Homecare) worker for Wrexham County Borough Council, helping people to gain independence and assisting them in their own homes.

Working as a Support Worker can give you:

- Flexible hours: mornings, afternoons, evenings, nights, weekdays, weekends
- Good rates of pay
- Generous leave
- Pension
- Training and development
- Rewards and discounts
- Uniform
- Supportive managers, friendly team
- Work alongside Occupational Therapists, Physio Therapists & Social Work professionals.
